

ECO4X4AFRICA this year again offer their 12 great tours and an extra one to Zambia

Unchanged tours for the past 10 years:

- Lesotho: 8 days – Fear of heights tour
- Kgalagadi: 10 days – N'guba tour (2)
- Botswana: 14 days – Big 5 – regional tour (2)
- Kaokoland: 16 days – The White Marble tour
- Serengeti: 35 days – The Wildebeest tour
- Masai Mara: 35 days – The Kenya Turn tour
- Angola: 28 days – Foz to Luanda tour
- Namibia: 16 days – Year-end tour
- Expedition 2012 Zambia: 14 days – West Rand tour

Lesotho from Caledonspoort to Sani Pass Hotel and back via Thaba Tsheka to Katse and Mogale dams. All above 1 800 m sea level over 9 mountain passes and we see the start of Orange river.

At Askham on the Loch Broom Paradys farm we drive dunes with a grading of up to 3. At Mata Mata and Nosob rest camps the birds and animals of the Kalahari are around us while we look for the black-maned lion and the rainy season is coming to an end towards the sunset side of the Kalahari.

The 5 regions – Okavango Delta, Moremi, Savuti, Caprivi Strip and Chobe – are traversed with 4x4's, boat trips on the water channels and we fly over Chief's Island while being followed by birds.

The Serengeti migration tour, with masses of animals trekking clockwise, 40 km wide and 20 km deep, is guaranteed on the plains of 14 900km<sup>2</sup>. Travel with us by bus or in your own vehicle through 7 countries. Take a return flight with SAA and see Kilimanjaro, Ngorongoro crater and Zanzibar, the spice island, Malawi and more!

More than 20 years' experience and 200 tours done, having travelled 1 000 000km over 14 countries of Africa and crossed 400 border posts, for our guests. That is experience!

Each tour is unique with regards to guests, climate, animals and tour characters and the tour guides lead with experience, purpose and discipline.

Each tour includes the following:

1. 2 meals per day – brunch and supper
2. Radios per vehicle where necessary
3. Satellite phone for emergency and call-backs
4. First aid medical support
5. GPS points supplied ahead of time
6. Hand-out on route and visits
7. Daily briefing in the evenings, about following day
8. 220 volt for cell phones, cameras and batteries
9. Maps for sale on the specific tour
10. Running commentary while we travel
11. Border post crossing and admin help
12. Basic repair and recovery on routes
13. Any eco training e.g. stars, etc.
14. Monthly news letter on request

Guests must provide these basic items

1. Own vehicle, if not in the bus
2. Fuel and lubricants
3. Own water, cold drink, drinks
4. Own passport and customs/border crossing
5. Own camping and tour gear/bush trailer
